The economy of South Africa is the second largest in Africa, after Nigeria. It is one of most industrialized countries in Africa. South Africa is an upper-middle-income economy by the World Bank – one of only four such countries in Africa (alongside Botswana, Gabon and Mauritius). Since 1996, at the end of over twelve years of international ...

Human resource management (HRM) has frequently been described as a concept with two distinct forms: soft and hard. The soft model emphasizes individuals and their self-direction and places commitment, trust, and self-regulated behaviour at the centre of any strategic approach to people. In contrast, the hard model stresses the rationalism of ...
