abstraction, levels of detail, and hierarchies in map series - lack the structures, tools, and operations to handle representations with multiple levels of detail. very little is known about using hierarchies for the description of ordered levels of detail. this paper explores the relationships between abstraction, levels of detail, and hierarchies first theoretically and then practically with an example from analogue map series. keywords: levels of ... **searching for dependencies at multiple abstraction levels** - searching for dependencies at multiple abstraction levels ... alization hierarchies. ruds can be applied in olap and database design. the problem of discovering ruds in large databases is at the ... **hierarchical a*: searching abstraction hierarchies efficiently** - hierarchical a*: searching abstraction hierarchies efficiently r.c. holte1, m.b. perez1, r.m. zimmer2, a.j. macdonald3 1. introduction several researchers have inv ... **hierarchical a*: searching abstraction hierarchies efficiently** - hierarchical a*: searching abstraction hierarchies efficiently r.c. holte1, m.b. perez1, r.m. zimmer2, a.j. macdonald3 1. introduction several researchers have inv e stig ated abstraction as a means of automatically creating admissible **abstraction hierarchies for engineering design - citeseerx** - parameters at multiple levels of an abstraction hierarchy. however, developing abstraction hierarchies is an area that is not well understood. our research proposes a novel hierarchical abstraction methodology to plan effective engineering designs and processes. it provides a theoretically sound foundation to represent, abstract and stratify engineering design parameters and tasks according to ... **hierarchies of abstraction in literature - springer** - chapter 2 hierarchies of abstraction in literature most of the work on formalizing abstraction in literature can be found in the problem-solving area of artificial intelligence, but hierarchical arrangement of **hierarchical a*: searching abstraction hierarchies efficiently** - hierarchical a*: searching abstraction hierarchies efficiently r.c. holte1, m.b. perez1, r.m. zimmer2, a.j. macdonald3 1. introduction several researchers have inv e stig ated abstraction as a means of automatically creating admissible **reasoning about multiple related abstractions with multistar** - an abstraction. in interface or general multiple inheritance in interface or general multiple inheritance hierarchies, such as the one shown in figure 1, a class can
